Dated: 18-4-2019

**CIRCULAR**

Assignment Account Procedure 2011 as well as the instructions received from Finance Division time to time, the fund transfers to commercial banks has been restricted. Same has been reiterated in revised Procedure of Assignment Account 2018 approved by Finance Division.

Keeping in view the orders of Supreme Court of Pakistan regarding Salary/pension disbursement as a mandatory function to be performed in time, AGPR has approved the salary/pension disbursement through assignment account on the analogy of Payroll.

It is therefore directed that the salary/pension cheques issued in name of main branches of designated banks only may be endorsed upon provision of list of employees with necessary details and the forwarding letter issued in name of main branch of the Bank to keep the spirit of assignment account intact.
